

# Questions – Part 1

- To what extent are DAC/EJ issues something your community/ organization/ constituencies work with?
- What are the trends and issues the Public AC should be aware as we work on DAC/EJ topics?

# Questions – Part 2

- What types of interactions would you like the Public AC to have with the Caucus? Where do you see the Public AC involvement with the Caucus?
- Make any suggestions you might have related to Caucus membership.
- What, if anything would you add, subtract, or change about the Caucus Charter?
